Temporary Full-Time Medical Laboratory Technologist

About Us

Hanover & District Hospital (HDH) works with its partners to provide a full range of primary acute care hospital services and selected secondary services to meet the needs of the population of Hanover and the surrounding rural townships. HDH provides the people we service access to the care they need through 24/7 Emergency Department, Acute Care Unit (inclusive of medical/surgical beds and multipurpose ICU beds), Physiotherapy Program, Surgical Services Department, Family Centered Birthing Unit, Hemodialysis Unit, Palliative Care Services and Ambulatory Clinics.

HDH has proudly achieved "Accreditation with Exemplary Standing" for the fourth time through Accreditation Canada. This speaks to the entire organization and the way our staff in all departments work as one team.

We are strongly committed to creating and maintaining a workplace of choice where employees are recognized and valued. We invest in our employees, ensuring that our staff have the required support, training and resources to provide exceptional care. HDH strives to provide work-life balance and promotes a positive work culture. Joining HDH now is a chance to immerse yourself in a culturally collaborative, compassionate and innovative workplace. You will play a key role being part of healthcare team that addresses the needs of our community. You will broaden your expertise, increase your knowledge and have endless opportunities for growth.

If you want a patient-centered focus and think this is the workplace for you, we are looking for a Part-Time Medical Laboratory Technologist for our Laboratory Department.

HOURS – Currently Days/Nights, 12 hour shifts, including weekends and statutory holidays. (Subject to change in accordance to operational needs).
